Introduction

Welcome to this Everest Insurance Police Travel Policy which explains **your** insurance protection in full.

In this document a number of words or phrases are in **bold** type. This will give those words or phrases the special meaning shown in the Definitions Section set out within this Policy, or as set out in a particular Section of this Policy.

"We", **"our"** or **"us"** is a reference to the insurer, shown in the **policy schedule**. The **"policyholder"** is a reference to the corporate entity or organisation named as a **policyholder** in the **policy schedule**. The **"insured person"**, **"you"** or **"your"** is a reference to a person who meets the criteria specified for an **insured person** in the **policy schedule**.

The Insurance Contract

In return for payment of or agreement to pay the **premium** shown in the **policy schedule** by the **policyholder** or **insured person**, **we** agree to insure the **insured person(s)** stated on the **policy schedule**, subject to the terms, conditions, limitations and **endorsement(s)** contained in or attached to this insurance Policy.

This document including the **policy schedule** and any **endorsement(s)** attached form the Policy. This document sets out the conditions of the insurance cover provided.

Please read the whole document carefully and keep it in a safe place.

Important Information

It is important that:

- The **policyholder** checks that the coverage it has requested is included in the **policy schedule**.
- The **policyholder** checks that the information it has given to **us** is accurate – see the "Information Provided to **Us**" Section.
- The **policyholder** and/or **insured person** notify **us** via the broker shown in the **policy schedule** as soon as practicable of any inaccuracies in the information which the **policyholder** and/or **insured person** have given **us**.
- The **policyholder** and **insured persons** comply with their duties under each Section and under this Policy as a whole.

Information Provided To Us

In deciding to accept this Policy and in setting the terms and **premium**, **we** have relied on the information the **policyholder** and **insured persons** have given to **us**. The **policyholder** and **insured persons** must take care when answering any questions **we** ask, by answering them honestly and with reasonable care, and by ensuring that all the information provided to **us** is accurate and complete.

Our Rights Under This Policy

If **we** establish that the **policyholder** deliberately or recklessly provided **us** with false or misleading information, **we** will treat this **policy** as if it never existed and decline all **claims**.

If **we** establish that the **policyholder** carelessly provided **us** with false or misleading information, it could adversely affect this **policy** and any **claim**. For example, **we** may:

- a. treat this Policy as if it never existed, refuse to pay all **claims** and return any **premium** paid. **We** will only do this if **we** provided the **policyholder** with insurance cover which **we** would not otherwise have offered; or
- b. amend the terms of this **policy**. **We** may apply these amended terms to a **claim** as if the terms were already in place, if the **policyholder** was careless; or
- c. reduce the amount **we** pay on a **claim** in proportion to the **premium** within the **policy schedule**, compared to the **premium we** would have charged the **policyholder**, should the information provided have been accurate.

Nothing above shall limit the rights of the **policyholder** or **insured person** under any applicable laws or regulations.

We will write to the **policyholder** if **we**:

- intend to treat the Policy as if it never existed; or
- need to amend the terms of the Policy; or
- will be reducing the amount **we** will pay on a **claim** due to inaccurate information.

If the **policyholder** becomes aware that information given to **us** is inaccurate, the **policyholder** must inform **us** as soon as practicable.

If an **insured person** becomes aware that information given to **us** is inaccurate, the **insured person** must inform **us** as soon as practicable.

Cooling Off Provision

If an **insured person** is paying to participate under this Policy, the **insured person** will have a cooling off period of fourteen (14) days from either:

- the date the **insured person** receives the Policy; or
- the start of the **policy period**,

whichever is the later.

The **insured person** is entitled to revoke their participation under this Policy during the cooling off period above and in those circumstances, provided a claim has not been made or is not intended to be made by the **insured person**, the **insured person** will be entitled to a full refund of any **premium** paid.

If an event has occurred that could give rise to a claim under this Policy, then no return **premium** will be paid.

These rights are in addition to the general rights of cancellation set out in General Condition 1.14.

Breach Of Term

We agree that where there has been a breach of any term (express or implied) which would otherwise automatically result in **us** being discharged from any liability hereunder, such breach shall result in any liability **we** might have under this Policy being suspended, with such suspension applying from the time the breach occurred until the time the breach is remedied. This shall mean that **we** will not have any liability in respect of any loss occurring, or attributable to something happening, during the period of suspension.

Terms Not Relevant To The Loss

If there is non-compliance with any term (express or implied) hereunder, other than a term that defines the risk as a whole, and compliance with such a term would tend to reduce the risk of:

- loss of a particular kind;
- loss at a particular location; and/or
- loss at a particular time,

then **we** agree that **we** may not rely on the non-compliance to exclude, limit or discharge **our** liability under this Policy if the **policyholder** and/or **insured person** prove to **us** that non-compliance with the term could not have increased the risk of the loss as it actually occurred.

Pre-Existing Medical Conditions

This Policy does not provide cover for claims arising from **pre-existing medical conditions** for:

1. claims made under Section B – Medical and Other Expenses as a result of:

- a. **your** certification as unfit to travel by a **medical practitioner**;

- a. an **illness you** were aware of prior to **you** travelling for the **trip**; or

In respect of an appeal or defence of an appeal this must be reported to **us** at least ten (10) working days prior to the deadline for the appeal.
2. **Our** consent to pay any **legal expenses** must firstly be obtained in writing before they are incurred, or this shall entitle **us** to withdraw cover under this Section and recover any **legal expenses we** have paid.

This opinion will determine whether **we** give **our** consent to the commencement and continuation of **legal proceedings**.
7. If **we** do not give **our** consent to the commencement of **legal proceedings**, then **we** will only pay for the reasonable costs in obtaining the initial opinion of the **legal representative** upon the merits of pursuing a **third party claim** for damages or compensation. If **we** do not give **our** consent for the continuation of **legal proceedings** and as such **we** withdraw **our** consent, then **we** will only pay for the costs incurred under this Section up until the date that consent to continue is withdrawn by **us**.
8. If the opinion of the **legal representative, you** and/or **our** own counsel is that there is a reasonable prospect of success but the cost of pursuing a **third party claim** is likely to be more than the amount of damages or compensation that **you** are likely to receive, the maximum **we** will pay is the anticipated amount of damages or compensation or the applicable limit of indemnity stated on the **policy schedule**, whichever is the lesser amount. This shall be payable at **our** sole discretion.
9. All claims including any appeal against a judgment resulting from the same original cause, event, or circumstances, will be regarded as one claim.

12. If **you** refuse to accept a reasonable offer or payment into court to settle a **third party claim** against **our** and the **legal representative's** recommendation, then **we** may refuse to pay any further benefit under this Section.
13. No agreement to settle on the basis of both parties paying their own costs is to be made without **our** prior written agreement.
14. If the **legal representative** is dismissed without **our** prior written agreement, cover under this Section will end and **we** will be entitled to recover any **legal expenses we** have incurred from **you**.
15. If following any successful claim or **legal proceedings** an award of costs is made in the favour of **you** or those acting on **your** behalf, any **legal expenses** paid by **us** will be reimbursed by **you** or those acting on **your** behalf to **us** to the extent of the full amount of such costs awarded.
16. Apart from the decision of appointing a **legal representative**, or the commencement or continuation of **legal proceedings**, if there is any dispute between **you** and **us** in respect of acceptance, control, handling or refusal of any claim under this Section, this will be referred to a single arbitrator. The arbitrator will be a solicitor or barrister agreed by **you** and **us**, or if there is a dispute as to the choice, one who is chosen by the president of a relevant national law society. The arbitrator's decision shall be final and binding on all parties, including the apportionment of costs.

General Conditions

Key Information

The following conditions and provisions are applicable to the whole Policy. There are additional conditions and provisions which apply within the Policy.

1.1 Geographical Area

You will be covered for **trips** limited to the Geographical Area stated in the **policy schedule**.

1.2 Maximum Length of Trips

The maximum length of an **overseas trip** and/or a **trip** within **your country of residence** is shown in the **policy schedule**.

1.3 Exposure

This wording covers claims arising out of death and **bodily injury** caused by exposure to the **elements** as a result of an **accident** covered under this wording.

1.4 Duplication Of Claims

If a loss is covered under more than one Section of this Policy **we** will provide cover under the Section that provides the most cover, but never under more than one Section. Under no circumstances will **we** make duplicate payments for the same loss.

The above General Condition 1.4 does not apply to duplicate losses under Section A, which are solely determined by the conditions and exclusions specific to that Section.

1.5 Information Disclosed

When taking out this Policy, the **policyholder** is under a duty to make a fair presentation of the risk. This means that:

- a. the **policyholder** must disclose to **us** all **material information** which it knows or ought to know;
- b. every material representation on a matter of fact must be substantially correct; and
- c. every material representation on a matter of expectation or belief must be made in good faith.

During the **policy period**, if there are alterations to the material information disclosed when taking out this Policy, including but not limited to a change in **business**, or change in the occupations or pursuits of the **insured persons**, the **policyholder** must notify **us** as soon as reasonably practicable by contacting the broker listed in the **policy schedule** no more than thirty (30) days after the change. **We** reserve the right to cancel this Policy or alter the terms and conditions of this Policy based on these alterations.

Information, a circumstance or a representation is 'material' where it would influence the judgement of a prudent insurer in deciding whether to provide insurance and, if so, on what terms. If the **policyholder** is unsure on whether information is material the **policyholder** should ask the broker listed in the **policy schedule**.

If the **policyholder** deliberately or recklessly breached its duty to make a fair presentation before this Policy was entered into, **we** will treat the Policy as if it had never existed, **we** may not return any **premium** paid and refuse all Policy **claims**.

Notwithstanding Condition 12 Cancellation, if the **policyholder** deliberately or recklessly breached its duty to make a fair presentation when there was a significant alteration to material information or requirement of a subjectivity during the **policy period** as described above, **we** will cancel the Policy with effect from the time of the significant alteration and may not return any **premium** paid.

If the **policyholder** failed to comply with their duty to make a fair presentation either before this Policy was entered into, or when there was a significant alteration to material information or requirement of a subjectivity during the **policy period** as described above but its failure was neither deliberate nor reckless **we** will, where the law allows, use a remedy of **our** choosing with the result that:

- a. the Policy is cancelled and any **premium** paid is returned to the **policyholder**;
- b. a Policy **claim** is refused; or
- c. a Policy **claim** is proportionately reduced; or
- d. charge the **policyholder** additional **premium**.

1.6 Age Limit

Unless otherwise agreed by **us** and specifically stated in an **endorsement** attaching to this Policy, no person above the age limit specified for that category of **insured person** within the **policy schedule** will be covered by **us** under this Policy.

1.7 Compensation

We will pay all benefits payable under this Policy to the **insured person** or such person or persons and in such proportions as the **insured person** shall nominate where this is not in contravention of any local licensing, regulatory or legislation requirements.

Once **we** have paid the benefit to a nominee chosen by the **insured person** **our** liability to pay such benefits shall be discharged.

1.8 Other Insurance

If, at the time the **insured person** makes a **claim** under this Policy, they are insured for the same **claim** by any other insurance (including but not limited to **co-insurance**) the coverage available to the **insured person** under this Policy will only operate in excess of that which would have been payable under the other insurance had this Policy not been in force.

If an **insured person** is covered under more than one (1) insurance policy underwritten by **us** for the same benefit, **we** will consider the **insured person** to be insured only under the policy which provides the highest benefit level, and **we** will apply the benefits payable in accordance with that policy.

1.9 Subrogation

In the event of any payment under this Policy, **we** shall be subrogated to the extent of such payment to all rights of recovery, contribution and indemnity of the **policyholder** and/or the **insured person**. The **policyholder** and/or the **insured person** shall upon **our** request provide all reasonable assistance to secure and exercise **our** rights and shall do nothing to prejudice such rights.

If **we** choose to exercise **our** rights of subrogation, **we** will pay the costs and expenses involved in exercising such rights against the third party.

1.10 Interest

We will not pay interest on any claim.

1.11 Loss Mitigation

You must take all reasonable steps to avoid or reduce any loss or the event of any circumstance which may lead to a claim under this Policy.

1.12 Fraudulent Claims

If there is any fraud, deliberate dishonesty, or deliberate non-disclosure of information in connection with a **claim** brought by the **policyholder** or an **insured person**, **we** may at **our** sole discretion:

- a. refuse to pay the **claim**;
- b. recover from the **policyholder** or **insured person** any sums already paid by **us** in connection with the **claim**; and/or

cancel this entire Policy with no return of **premium** from the date of the fraudulent act if the **policyholder** was fraudulent or cancel the Policy in relation to the **insured person** only from the date of the fraudulent act if the **insured person** was fraudulent with no return of the **insured person's premium**.

1.13 Currency

If a claim involves foreign currency, it will be converted into the currency applicable to the premium and limits in the **policy schedule** based on the exchange rate at or as near as possible to the time of the loss. The website from which the exchange rate is chosen shall be chosen by **us** at **our** sole discretion.

1.14 Cancellation

We can cancel this Policy by giving the **policyholder** thirty (30) days' notice (from the date of sending) in writing to the **policyholder's** last known address or to the broker specified in the **policy schedule**.

We can cancel the **insured person's** participation under this Policy by giving the **insured person** thirty (30) day's notice (from the date of sending) in writing to the **policyholder's** last known address or to the broker specified in the **policy schedule**. **We** will only do this for a valid reason. Examples of non-exhaustive valid reasons are as follows:

- non-payment of **premium**;
- non-cooperation or failure to supply any information or documentation **we** request; or
- threatening or abusive behaviour or the use of threatening or abusive language.

On cancellation by **us**, **we** will refund to the **policyholder** or **insured person** (whoever has paid) the **premium** paid for any remaining **policy period** provided no **claims** or events have been reported to **us** and subject to there being no incident(s) that the **policyholder** or **insured person** is aware of that might give rise to a **claim**.

The **policyholder** may not cancel this Policy at any time.

The **insured person** can cancel their participation under this Policy at any time by giving **us** notice in writing via the **policyholder** specified in the **policy schedule**. The **insured person** will be removed from this Policy and the **insured person's** monthly salary deductions in respect of this insurance will cease.

In the event that two (2) police officers who are **partners** both separately purchase this insurance Policy, **we** will issue a refund for one (1) police officer, as **partners** are already covered hereunder.

1.15 Law And Jurisdiction

The law and jurisdiction applicable to this insurance contract are as stated in the **policy schedule**.

1.16 Assignment

1.17 Contract (Right of Third Parties) Act 1999

A person who is not a party to this Policy has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Policy but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

The Policy, **policy schedule**, endorsement(s) and application form shall be read together as one (1) contract. If any word or expression to which a specific meaning has been ascribed in any part of the **policy schedule** will bear a specific meaning wherever it appears.

1.20 Severability Clause

If any provision or part-provision of this Policy is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of this Policy.

1.21 Sanctions

It is a condition of this Policy, and the **policyholder** and **insured persons** agree, that the provision of any cover, the payment of any claim and the provision of any benefit hereunder shall be suspended, to the extent that the provision of such cover, payment of such claim or provision of such benefit by **us** would expose **us** to any sanction, prohibition or restriction under any:

- a. United Nations' resolution(s); or
- b. the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

Such suspension shall continue until such time as **we** would no longer be exposed to any such sanction, prohibition or restriction.
