Casual workers

Minimum of £7 / hour + holiday pay

We have an ongoing requirement for reliable people to sign up as casual workers for a range of roles within the Federation House department. These include waiters, waitresses, bar staff, kitchen staff and housekeepers.

Casual work is available to assist at peak periods, specific functions and general requirements throughout the year.

Casual work would be paid for on a zero hours basis, allowing people the flexibility to fit their casual work around college, university, additional employment and/or domestic priorities.

Our casual workers are paid for the hours they work and also receive holiday pay. They share access to free parking, gym and pool facilities and, depending on the hours worked, can also be provided with a meal.

The minimum pay rate is typically £7 per hour, with 12.07% paid for holiday pay.

Our appointment process involves an application form, brief interview and at least one trial shift without payment.

An application form can be obtained by ringing our recruitment line on 01372 352077, quoting Job Ref ZH/GEN/PFI
