ICC CIRCULAR 07/2008
TO ALL IBB SECRETARIES
TRIENNIALS – INSPECTORS' BRANCH
BOARD

Firstly, on behalf of all on the Inspectors' Central Committee may I congratulate everybody on their success at the recent triennial elections and say a simple 'welcome aboard' to any new representatives.

With regard to any newly elected IBB Secretaries and IBB Chairman who feel they would benefit from a visit to Leatherhead for an induction day on how the ICC operate, what assistance is available and how to get that assistance, I ask that consideration be given to notifying this office of their details.

Depending on the numbers, suitable dates will be arranged.
It is envisaged that such a day will be midday to midday, incorporating 1 night at the Leatherhead HQ.

The Inspectors' Central Committee will fund accommodation costs including meals at the new HQ only. All other additional costs including travel will not be funded.
