Longleat has to be *the* place to visit this year as, with a strategy of added value within this already award-winning attraction, there is oodles to keep you entertained this summer.

The Passport Ticket offers entry into all of the Longleat attractions... discover the magnificent animals in the Safari Park from the comfort of your very own car... see how you measure up to a giraffe, watch out for the zebras crossing, wander amongst the wallabies in Wallaby Wood and be enthralled by the majestic lions, tigers, giraffe and more!

Continue your adventure aboard the Safari Boats for a sea lion escorted cruise, find yourself lost in the Longleat Hedge Maze, enjoy a fun packed ride on the Longleat Railway, discover the treasures and heirlooms of Longleat House and take a peek at Lord Bath's Murals*... with 11 attractions to explore, your day at Longleat will never be long enough!

But that's not all as 2009 sees a new attraction, *Animal Adventure*, opening for the autumn. It is Longleat's aim that children and adults alike should have the opportunity not just to meet the small, furry and feathery inhabitants of

Animal Adventure but also, where possible, to get the chance to groom a guinea pig, walk a ferret or monitor a chinchilla's behaviour on one of the keeper charts and much more! And, at the end of your interactive experience, you will have the opportunity to earn a 'Ranger Reward Certificate' to prove to family what you've achieved or kids might like to present it to their friends in 'Show and Tell' back at school!

The Longleat Passport Ticket offers entry into all of the Longleat attractions but you don't need to complete it in one visit! Split your visit over a weekend or even over several... each attraction can be visited once only but you can come back at any time before the end of the season (1 November 2009) to see those attractions previously missed PLUS the grounds and gardens can be visited as often as you like!
