

Work Force Modernisation Comment

13.03.07

"We supported the use of demonstration sites in order to test ACPO's claims of greater efficiency with a wider workforce mix, without the provision of extra money.

If additional funds are then provided as a participation incentive, it will no longer be a true test of the claims.

The relaxation of the rules surrounding the Crime Fighting Fund has also resulted in there being no force area with which to provide accurate comparison"
