

Julian Guymer - Financial Adviser

I have worked alongside the North Yorkshire Police Federation for several years offering trusted financial advice to police officers and their families. Having recently merged my practice with Lawrence Neil Wealth Management Limited, a Senior Partner Practice of St. James's Place Wealth Management, I continue to offer a range of services both to those within the police force and those independent. Following my continued success, I am pleased to now also be working alongside the Cleveland Police Federation.

My sole focus is to build and maintain long-term relationships with my clients and to provide a source of sustainable advice as their financial needs evolve over the years. I specialise in the following:

- Investment Planning
- Protection Planning
- Retirement Planning
- Succession Planning
- Mortgage Planning

I pride myself on the level of referrals I receive from my existing client base and am thrilled to continue providing my service to those who need it and welcome any further introductions. I treat all of my clients individually as everyone has different wants, needs and aspirations. If you would like some further information regarding the practice or my services, please take a look at our website www.sjpp.co.uk/lnwm or get in touch directly via telephone on 01423 799160 or via email at julian.guymer@sjpp.co.uk.
