Important information

Please take time to read through this booklet. It is not a policy document, it is a summary outlining the cover and services included in the scheme. Full details of cover, including the limitations, exclusions, and the terms and conditions can be found in the policy wordings which are available from the Federation and should be read carefully.

We offer a non-advised product which means we can't give you a personal recommendation in respect of this scheme but can outline the features and benefits so you can decide whether the cover suits your needs. This scheme meets the demands and needs of those who wish to provide protection for the circumstances outlined in this booklet at the levels described in the schedules.

Joining the scheme

Special Constables may join the scheme providing they have been actively on duty for 20 consecutive shift days preceding their application to join. Cover under this scheme is not applicable if you are no longer a Special Constable. It is important that you notify the Federation immediately if your circumstances change.

Payment of premiums

Premiums are collected monthly by direct debit. Monthly subscription payments must be maintained in order to remain a member of the scheme and to qualify for benefits.

How to cancel your cover

In the event that you need to cancel your cover, **please notify the Devon & Cornwall Police Federation in writing:** Devon & Cornwall Police Federation office, Police Headquarters, 2 River Court, Pynes Hill, Exeter EX2 5JL.

How to make a claim

Unless otherwise specified in this booklet please **contact the Devon & Cornwall Police Federation at: fedoffice@devon.polfed.org to make a claim.** Claims should be reported as soon as practicable and, if possible, within 30 days of the incident/diagnosis. The onus is on the member to notify a claim, it is not the responsibility of the Federation to make a member aware of their entitlement to claim.

Best Doctors

The Best Doctors service provides the peace of mind of a confidential expert second medical opinion if a member, partner or their dependent children up to age 21 (25 if still in full time education) and living with them, are facing a worrying medical condition.

Best Doctors work in conjunction with the patient and the treating doctor to ensure diagnosis and treatment are correct, providing an independent and comprehensive assessment. They work with a worldwide panel of specialists who have been selected by their peers as being the very best in their field.

Unlimited access to the Member Care Centre is included, providing a confidential telephone based helpline, which is available 24 hours a day, 7 days a week, throughout the year.

It involves just three simple steps:

Step one - Connect: call the Best Doctors Member Care Centre, which is open 24 hours a day, 365 days a year. You will be assigned your own dedicated Case Manager, who will remain a constant throughout, to guide you through the process. Your Case Manager will identify the most appropriate Consultant to review your case.

Step two - Investigate: Best Doctors collect your medical records from your treating practitioner. The expert consultant reviews your case and prepares a detailed report answering all of your questions, based on their comprehensive analysis of your medical documentation.

Step three - Answer: your Case Manager will send you the report and discuss the content with you. You are free to share this report with your treating practitioner so that together you can make the most appropriate decisions about your treatment.

Ask the Expert

The Ask the Expert service can help where a diagnosis is straightforward and you need information about a condition, prognosis or treatment quickly, then the Best Doctors database of experts in their specific field can help. They can answer your questions without requiring a full review of your medical records.

To get expert medical support from Best Doctors call the **Member Care Centre: 0800 085 6605**

Or visit: www.askbestdoctors.com for healthcare advice and the Best Doctors video library, with over 300 colour videos giving detailed explanations about medical conditions, treatments and testing.

Please note: Best Doctors services are not available in respect of mental health related conditions.
