POLICE PENSION REFORMS WEBINARS

We can work with you to plan and protect your financial future.

WEBINARS AND ONE-TO-ONE DIGITAL CONSULTATIONS

At Police Money Matters we have been working on offering clients access to webinars and one-to-one digital consultations. We recognise that not everyone can attend our financial seminars or one-day, pre-retirement courses held at police forces across the UK.

The global pandemic has led to the cancellation of many events, at a time when people are rightly concerned about their own financial future, and that of the police pension reforms.

Our dedicated team of Financial Advisers can discuss your pension on a one-to-one basis, and answer any questions that you may have.
