Dear Colleague

## You may be entitled to a tax refund

As a Police Officer, there's quite a high chance you've paid too much, as many officers in Devon & Cornwall have recently discovered.

Since giving you an opportunity to have your tax code checked by tax experts at **The Tax Refund Company** in July, 1 in 2 members who have completed a tax review have discovered they may have paid too much tax. So far, members have got back an average of £153.21 each.

Very few members think they are owed a refund before using the service. Most of those getting a refund are pleasantly surprised when their money arrives in the post.

The main points to note are...

- For every £1 paid back by HMRC, you keep 62p (minimum fee £38\*)
- Your review is free if you do not get a tax refund
- You will keep 100% of any extra money you receive in your salary
- Peace of mind guaranteed – in the rare event you get an unexpected tax bill as a direct result of using this service, it will be paid for you\*\*

**You should not assume HMRC will send you a refund if you have overpaid tax. It is up to you to check if you have paid too much tax and claim it back if you have or get an expert to do it for you.**

**This is your hard-earned money. Why let The Revenue keep it?**

\*If your refund is less than £38, the minimum fee will be reduced to the same value as your refund, so you have nothing more to pay
