To enable monthly premiums to be collected from your bank account the accompanying direct debit mandate must be completed. Following acceptance of your application form and direct debit mandate you will be notified by George Burrows in writing of the date from which cover and premium collection will commence.

Note: All cover ceases at age 65.

The Federation may pass information held by the Force to the brokers/insurers but only that which is necessary in connection with your membership of the scheme or any claim.

The maintaining of an up to date will is advised. Death claim payments are made by the Trustees under the terms and conditions of the trust deed, which would normally be to the member's chosen beneficiary (as detailed in your application to join the main scheme). The Trustees will, at their own discretion, agree payment in the event of a claim. I understand that in all matters, in accordance with the trust deed, the decision of the Trustees is final.
