Policy Conditions

Notifying Us

If anything happens which could lead to a claim under this policy, the **beneficiary** must let **us** know as soon as possible by submitting a claim form and providing **us** with all the information **we** may need. Until the **beneficiary** has let **us** know about the claim and **we** have provided acceptance in writing, **we** will not be responsible for any **costs**, nor will **we** cover any **costs** that were incurred before **we** accepted the claim.

It's important to remember that the **beneficiary** must notify claims in writing directly to Legal Insurance Management Ltd. Informing any of **our** Advice Helplines does not constitute as notification of a claim.

Claims Decision

The decision to accept the **beneficiary's** claim will take into account the advice of the **authorised representative**, as well as **our** own claims handlers. **We** may require, at the **beneficiary's** expense, an opinion of an expert or counsel on the merits of the **beneficiary's** claim. If the claim is subsequently admitted the **beneficiary's costs** in obtaining such an opinion and providing such advice will be reimbursed under this insurance.

The **beneficiary's** claim will be accepted if all of the following apply:

1. The position has not been prejudiced.
2. **We** have assessed the **beneficiary's** claim and deem it to have **prospects of success**.
3. It's likely a sensible settlement will be obtained and is proportionate with the time and **costs** incurred in dealing with the **beneficiary's** claim.

1. The **beneficiary's prospects of success** are insufficient.
2. There is a more suitable course of action.
3. **We** cannot agree to the claim.

In these circumstances, **we** may not continue to support the **beneficiary's** claim and will tell the **beneficiary** why in writing.

We may also limit the **costs** that **we** pay under the policy for the **beneficiary's** claim in the following circumstances:

1. **We** consider it is unlikely a favourable settlement will be obtained.
2. The likely settlement is disproportionate with the time and expenses necessary to achieve it.
3. There are insufficient prospects of obtaining recovery of any sums claimed.

Alternatively, where it may cost **us** more to handle a claim than the amount in dispute **we** may, at **our** discretion, pay to the **beneficiary** the amount in dispute which will represent full and final settlement under this policy providing the **beneficiary** has complied with all terms and conditions.

If the **beneficiary** makes a claim under this policy which the **beneficiary** subsequently discontinues due to their own disinclination to proceed, any **costs** incurred to date will become the **beneficiary's** own responsibility and will need to be repaid to **us**.

Appeal Procedure

If the **beneficiary** wishes to appeal against the judgement of a **court** reasons must be submitted to **us** and **our** consent obtained. This application must be sent by recorded delivery at least ten working days before the final date for lodging the appeal and **We** will inform the **beneficiary** of **Our** decision.
