If you do not agree to allow the faxing of information, please indicate by deleting the appropriate section in this form.

Above these limits, you may need to tell us about certain genetic test results when applying for certain types of insurance. We will only be interested in genetic test results which have been approved by the Government’s Genetic and Insurance Committee for insurers’ use.

If you think this may apply to you, please ask us for details of the current position. These details are also available from the ABI website at www.abi.org.uk

 - If you choose not to see the report at this stage, you may ask the doctor for a copy within 6 months of it being sent to us. A duplicate report can be sent to your doctor on request should you wish to see it at a later date.
 - If you consider any aspect of the report to be incorrect or misleading, you may ask the doctor to amend it. If your doctor refuses to make the amendments, you may ask him/her to attach a statement outlining your views, which will then accompany the report.
 - Your doctor can withhold access to the report if he/she feels that it would cause physical or mental harm to you or others.
 - Your medical report will contain details of relevant consultations, treatment, operations, investigations and test results that you have undergone at any surgery, hospital or clinic. Your consent will give the insurers access to this information.
