Affinity Leasing offer a large choice of over 40 different car manufacturers and thousands of models.

Personal leasing is a form of long term or fixed term rental, you simply pay for the use of the vehicle and don't get lumbered with all the drawbacks of ownership such as depreciation, balloon payments or part exchange valuations.

We negotiate directly with the manufactures on multi car pack deals which allows us to fund the vehicles at a much lower than normal rate and offer a discounted monthly lease direct to you.

Our personal leasing contract offer complete peace of mind and include many additional features.

Our agreements can also include full maintenance including regular oil and filter services, consumable items such as brake pads and discs plus tyre replacement for wear and tare and punctures.

You, your family and friends can take advantage of our offers as part of your Polfed membership.

We can offer bespoke factory ordered cars plus a range of stock ready vehicles which can normally be delivered within 10 to 14days from point of order.
