

GP24 New App Available Now

There has been a major update for the GP24 App and Digital Booking System available through your Group Insurance Scheme.

The new app will allow you to choose an appointment time to suit your needs and integrate with any other HealthHero services in your scheme.

Please take the time to download the App by visiting <https://philipwilliams.gp24.co/> or scan the QR Code using access code GP24

How to save the web app: On first use, click Reset Password to create an account and Use code **LE25** to register

iOS Device

In the Safari web browser navigate to the web app link above. Then click the icon shown left and select '**Add to Home Screen**' and then '**Add**'.

Android Device

In the web browser navigate to the web app link above. Then click the icon shown left and select '**Add to Home Screen**'.

Laptop/Desktop - PC

Right click with the mouse to display the menu and select '**Create Shortcut**'.
