Medical negligence

Medical negligence occurs when a medical professional fails in their duty of care to a patient and provides treatment that falls below an acceptable standard. This substandard care then causes either an injury, an illness, the worsening of an existing health condition or even death.

If you have suffered an injury or illness due to medical negligence, [our industry leading solicitors are here to help](#).

Our solicitors can offer advice about:

- Amputation and loss of limb claims
- Brain injury claims
- Cancer claims
- Cauda Equina claims
- Cerebral Palsy claims
- Orthopaedic claims
- Spinal injuries
- Sepsis claims
- Surgical error claims
