Post Incident Procedures (PIP) Training Seminar

11-12 September 2023 | Federation House, Leatherhead

The Police Federation of England and Wales will be hosting a Post Incident Procedures (PIP) Training Seminar on 11 & 12 September 2023. This is a topic which carries so much importance, not only the world of firearms, but also operational policing. The process must be balanced against the support that the officers involved in an incident require, our seminar will seek to equip workplace reps to ensure officers are fully supported throughout the PIP process.

At present, we are busy working through our agenda and we are currently looking for organisations to sponsor this two day event, which will be held at Federation House Hotel Events & Conference Centre in Leatherhead.
(maximum delegate capacity: 200)

We have various sponsorship packages available and we can also create bespoke sponsorship proposals based on the requirements of your organisation, so please reach out to us to discuss how we can work with you to ensure maximum return on investment.

Standard sponsorship packages:

- Headline Sponsors
- Session Sponsors
- Advertising Sponsors
- Table top stand
- Seat drop
- Merchandise

To find out more information, please contact:

Alison Lambert, Sponsorship Manager

Tel: 01372352118 / 07931 224313

Email: alison.lambert@polfed.org or sponsorship@polfed.org

The full agenda will be available in due course; for more information, please email events@polfed.org
