ACCESS TO MEDICAL REPORTS ACT 1988

Rights and Procedures

Access to Medical Reports Act 1988, Access to Personal Files and Medical Reports (Northern Ireland) Order 1991

We need your consent before we can approach any doctor for a medical report about you. This is given by signing the declaration on this form. Before you sign, you should read this section carefully. It details your rights under the Act.

1. You do not have to give your consent. If you do not give your consent, we may be unable to proceed with your claim.
2. You can request to see the report before it is sent to us. We will inform the doctor that you want to see the report before it is sent to us and confirm your request in writing. You will then have 21 days to arrange with the doctor to see the report. If you haven't arranged to see the report within this period, the doctor will send it to us.
3. If you indicate that you don't want to see the report, we do not have to tell you if we apply for one. You can, however, ask to see a copy of the report within six months of it being sent to us.
4. The doctor may charge you a reasonable fee if you ask to see a copy of the report.
5. If you have seen the report before it is sent to us, the doctor will require your written consent to send it to us. You have the right to ask the doctor to change anything that you consider to be incorrect or misleading. The doctor can, however, refuse to make any alterations. If the doctor refuses to change the report, you may attach a note giving your views.
6. The doctor can refuse to let you see all or part of the report if, in their opinion, it is likely to:
   - Adversely affect your physical or mental health or that of others,
   - Indicate the doctor's intentions to you,
   - Reveal the identity of a third party who has given information about you unless they have consented to its disclosure, or it has been supplied by a health professional involved in caring for you.

In such cases the doctor must notify you. You will only be able to see the remaining part of the report. If the whole report is affected the doctor will advise you and not send it to us without your written consent. If you refuse to give your consent, we may be unable to proceed with your claim.
