

O₂ Open

An e~~x~~tra perk of your job

O₂

What is O₂ Open?

O₂ Open is a way for you to treat your employees to all sorts of perks, and it's all because you're an O₂ Business customer. On top of perks, prizes and surprises from Priority, your employees can also get up to 25% off their Airtime Plan (on qualifying O₂ Refresh contracts) purchased directly from our team. They can apply for two discounts at any one time: one on the Airtime Plan of a phone contract, and one on the Airtime Plan of tablet or mobile broadband contract. Their O₂ Open discount will match the length of their Device Plan (CCA agreement), so if they take a 6-month O₂ Refresh agreement, they'll receive 6 months' discount.

- 25% discount on 3GB and above Airtime Plans (data, minutes and texts)
- 15% discount on below 3GB Airtime Plans (data, minutes and texts)

For your employees to be eligible for the O₂ Open discount, they'll need to be on a compatible O₂ Airtime Plan.

O₂ Open – How we support you

- Our aim is to promote awareness and accessibility of the O2 Open Employee Perks scheme as one of your employees benefits.
- We help and support employee engagement, whether your staff work from home, the office or remotely we want to ensure everyone has easy access and support.
- To do this we have a dedicated team to look after your employees each step of their journey. From enquiries, purchases, applying the discount and tech support, our team are here to help.
- We all have busy lives, and with free next working day delivery on orders made before 4pm we make it easy to redeem the discount and get your products quickly.

O₂ Open – Book a chat

- Our dedicated O2 Open team are here to support you. You can save time and book an appointment when it suits you.
- An expert will discuss all your requirements during your initial 20 minute chat, to find you the best deal and deliver it as soon as possible. We'll also explain your O2 Open savings and how to redeem the discount.

O₂ Open – Latest Deals and News email

- Each month we'll send out our 'Latest Deals and News' email newsletter. You can share this with your colleagues, or share the link below on your networks and your employees can sign up to receive it direct to their inbox.. When we have big promotions like Black Friday or Flash Sales we may send more than one newsletter, so you never miss out.
- This newsletter is available as a pdf, or an online version upon request.

O₂ Open – Marketing Assets

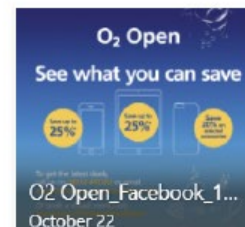

- Our marketing assets folder, <https://bit.ly/O2OpenAds>, has artwork to help you promote your O2 Open benefit internally to your colleagues. Digital assets for newsletters, emails, websites and more to keep your staff up to date with their perk. We can personalise these where required with your logo and create different sized images, just let us know how we can help.

O₂ Open – Events

ON SITE EVENTS

What to expect from our onsite Events

If your company is holding a Wellbeing event or a conference day we can attend and promote the O₂ Open benefit.

On the day we'll promote the perk, provide literature and talk about current offers, the discount, and how to redeem it. We usually set up a mini shop for purchasing on the day, enabling employees to redeem their perk even easier.

If an event isn't practical, for remote workers or if an employee misses an event, purchases can be made directly from our call centre support team. Our O₂ Open Account Manager can support your business with communications and marketing material to promote the benefits and offers to your employees.

Events can be tailored to suit local requirements and we provide public liability insurance and risk assessments on request.

O₂ Open – everything you need in one place

It's never been easier to get the best from O₂ Open.
