#### **MAKING A CLAIM**

Whilst certain legal problems can be successfully resolved by using expert guidance provided by the helpline services, other problems may result in you needing to notify us of a claim under this policy.

If you need to make a claim, please note the following:-

- 1. This is a claims made policy and only claims notified during the period of insurance can be considered.
- You must notify a claim as soon as you first become aware of a situation which has given rise to a claim under this policy. Failing to act as quickly as possible could prejudice the case and lead to rejection of your claim.
- 3. We will not pay any costs incurred before your claim is accepted. You will be responsible for any costs incurred if you instruct your own solicitor, barrister, accountant or other legally qualified person without our agreement.
- 4. Claims should be notified as follows:

Personal Claims Department

All other claims should be notified to the Personal Claims Department by phoning **01483 954 089** between the hours of 9am and 5pm, Monday to Friday.

Completed claim form should be returned to us as soon as possible:-

**5.** Once your claim form has been assessed, we will advise whether your claim has been accepted and if a representative is to be appointed to progress your claim.

As part of this assessment we will need to determine how likely you are to be successful in your claim. You may be asked to provide additional information which could include, but not strictly limited to: copies of any communication you have sent or received, copies of your motor insurance documents and details of insurance held by any other parties involved in an accident, contact details of witnesses or police, medical reports, expert reports and any other information relevant to the claim.

Please note that prospects of success must exist throughout the duration of the claim and cover could be withdrawn if at any point it is no longer likely that your claim will succeed. This may happen if new evidence or information comes to light as the claim progresses.

6. If your claim is not accepted, we will explain the reason why and advise if we can assist in any other way.

Please also refer to the Claims Conditions on pages 15 and 16 of this policy document.

- (e) If at any time, whether because of the possibility of settlement, a change in the Prospects of success or the prospects of any judgment not being successfully enforced, or of the Insured's insolvency, or for any other reason, it ceases to be reasonable in all the circumstances to continue to incur Professional expenses, the Insurer may withdraw consent and no further Professional expenses will be paid.

The expert must be in receipt of the same information regarding the claim as provided to the Insurer. If the expert decides in the Insured's favour, the Insurer will reconsider the merits of that claim. If the expert decides in the Insurer's favour, it does not affect the Insured's right to use the Insurer's complaints procedure.

#### 5. Payment of Appointed representative's bills

#### 7. Apportionment of costs

If any claim covered under this policy should also be covered under any other insurance policy, the **Insurer** will only pay their rateable proportion of that claim.
