FEES FOR AVON AND SOMERSET POLICE

We are pleased to offer a 15% discount on our hourly rates for Avon and Somerset Police employees. We charge on an hourly rate basis, so we can give you a more accurate estimate when we know more about your case.

FAMILY

It is very difficult to give a clear guideline on costs in family cases, as each matter is very different. This is due not only to parties' differing assets but also to the individual needs and emotional circumstances of each client and the approach taken by the other party. We therefore offer various fee quotations to our clients, including 'fixed fee' options. We are committed to keeping costs as low as possible, and every case is reviewed monthly.

FURTHER SERVICES

We offer a wide range of legal services including Wills and Probate, Tax and Trusts, Land Disputes, Commercial Disputes, general Commercial advice, Agriculture, Bankruptcy and Insolvency, Commercial Property, Private Property Conveyancing and Personal Injury. Therefore, we are happy to provide comprehensive fee quotes for any other legal services required.
